I guess that blows our plan to take the mine tour – unless we take a later flight back on Wednesday, Aug. 27<sup>th</sup>??

Dear Commissioner McKay,

Paula Schmittiel, the EPA's Upper Animas Remedial Program Manager, and I will be in Silverton on August 25 and 26. We haven't really had a chance to introduce ourselves, and we were hoping you might have a few minutes to meet with us while we are there. We are available to meet in the evening, too, if that would be more convenient.

I'm going to be out of the office later this week, so if you are free either of those days, please let Paula know at [Schmittiel.Paula@epa.gov](mailto:Schmittiel.Paula@epa.gov) or 303-312-6861, and she can arrange a time for us to meet.

Best regards,

Cynthia Peterson
